

End of Season Report
Peewee 2013-2014

This year's Peewee season was an exciting one, marked by many successes. After an early start of try-outs in August, the players started their season in October and they were ready to go! The physical and technical improvements of the players of this age group were fully evident throughout the year. Many of the players were able to consolidate many years of technical development and apply these skills on the ice in a more proficient manner.

A total of 60 kids were registered at the Peewee level and we were able to form two A teams, one B team and one C team, which played in the CHL. The selection and rating of players was conducted by the members of the new technical team, headed by Jon Silver. A draft was then held by the coaches to form the two peewee A teams. The challenge of this process is to ensure that the teams be as balanced as possible which is a matter that the technical team will be looking into next year.

This year, all levels of our Peewee teams were represented in the regional championships. In fact, Peewee C made their way to the semi-finals in their regionals and to the finals in the CHL league. Congratulations go to the Peewee B team who won the EHL Championship this year! Well done! We are very proud of all our Peewee teams!

I would like to take this opportunity to personally thank Jon Silver and his technical team for their work and support with the teams and players.

Thank you to all the coaches, assistant coaches and managers for their exceptional work and dedication to their responsibilities and to the players. I greatly appreciated the help and support that I received from many parents which helped make my job so much easier and ensured a good hockey season for all of the players.

Devils A:

The Devils A had a very good season, finishing 5th in overall standing and representing Versant Ouest in the regional championships. In the EHL playoffs, the Devils played their very best and made it to the quarter finals. The Devils also participated in many tournaments throughout the season, honing their skills for a great playoff run.

Diablos A:

The Diablos started the season off strongly, ranking near the top of the standings by December. Going into the second half, the team started to struggle. They continued to work hard but could not regain the momentum of the first half. The coaches and players showed great perseverance and finished 7th in the standings. The Diablos did very well in the PEYO tournament where they made it to the semi-finals.

Many of the players on both Pee wee teams showed great improvement in their overall skills and a good season was had by all of the players, coaches and managers. Congratulations to both teams

Devils B:

The Pee wee B team had an amazing season. With a total of 59 points, they finished 1st overall in the standings and went on to win this year's EHL Pee wee B Champions! They represented Versant Ouest in the regionals and made it to the semifinals. Congratulations to the Pee wee B players, coaches and manager on a great season!

Devils C

The Pee wee C team played in the CHL league this year and they covered more miles than any other MRO team this year. The team finished a strong season in 4th place overall and managed to make it all the way to the finals. All of the players showed great improvement throughout the season. Congratulations to the players, coaches and manager on a great season.

Have a great summer!

Teresa Fata
